

CTI Core Values

- **Safety** – Protect the safety and health of our employees, customers and contractors in our facilities and in the field.
- **Integrity** – Act with honesty and honor toward our customers, vendors and each other, without ever compromising the truth.
- **Accountability** – Acknowledge and assume responsibility for every action, decision and result.
- **Ownership** – Think like a stakeholder, treat the company with pride, and value each customer and vendor as though your own.
- **Cleanliness** – Maintain the highest standard of cleanliness for our facilities, equipment, job sites and personnel.
- **Empowerment** – Encourage people to take initiative and give their best, empowering leadership and decision-making.
- **Teamwork** – Build trusting relationships with coworkers, respect abilities, communicate professionally, and recognize our individual boundaries.
- **Innovation** – Pursue new and creative ideas, processes and procedures to continuously improve our operations and enhance customer outcomes.
